

1988 Dassault Falcon 100

Serial No. 220 N569DW

Airframe

Total Aircraft Time	7,991	Total Landings	7,702
---------------------	-------	----------------	-------

Engines (TFE 731-2-1C)

	<u>Left Engine *</u>	<u>Right Engine *</u>
Total Time	7,808	7,619
Total Cycles	7,441	7,246
Time Since CZI	600	3,899
Time Remaining Until Next CZI	3,400	301
Time Since Last MPI	780	1,202
Time Remaining Until Next MPI	620	198

* Engines enrolled on JSSI, Left Engine, 100%, Right Engine prorated until Core.
5 yr locked in hourly rate at \$148.06/eng.

Inspection Status

	<u>Last Completed</u>	<u>Due Next</u>
"A" Inspection	8/07	2/08
"2A+" Inspection	8/07	8/08
"4A, 4A+" Inspection	7/06	7/09
"B" Inspection	7903 hrs.	9,103 hrs.
"1C" Inspection	7/06	7/12
"2C" Inspection	8/00	8/12
"3C" Inspection	7/06	7/24
Thrust Reverser Overhaul	4968 hrs. (12/99)	9968 hrs.
Main Landing Gear Overhaul	5,729 Idgs. (3/01)	11,329 Idgs
Nose Landing Gear Overhaul	5,729 Idgs. (3/01)	11,329 Idgs

1988 Dassault Falcon 100

Serial No. 220 N569DW

Avionics

Five tube Collins EFIS-85 with MFD. Collins APS-80 Autopilot with ADC-80 Air Data and FGC-80 Flight Guidance System. Dual Collins VHF 22A Comm. Radios with CTL-32 controls. Dual Collins VIR-32 Nav. Radios with CTL controls. Dual M1035 Baker Audio Panels. Dual Collins ADF-60A Automatic Direction Finder Radios (on RMI) with CTL-62 (wired for second). Dual Collins VIR-32 with Dual Lights. Dual Collins VIR-32 Glidescopes. Dual Collins DME-42 Distance Measuring Equipment with Dual IND-42C indicators. Dual Aeronetics 3137 RMI's. Dual Sperry C14A Gyro Compass System. Collins ALI-80A Encoding Altimeter with Collins ADC-80K and PRE-80B Altitude Alerter/Preselect. Collins TWR-850 Radar with Turbulence Detect. Triple Fliteronics PC-17A Inverters with Failure Light. Dual Allied Signal MST-67A Mode S Transponders. Dual Collins 332D-11A Vertical Gyros. JET AI804-J/G Standby Horizon Indicator with Dual JET PS-835D Battery Packs. Collins ALT-50A Radio Altimeter. Fairchild GA-100 Cockpit Voice Recorder. Universal UNS-1B FMS w/ GPS 1000. Allied Signal CAS-67A TCAS II with Change 7 with Dual Allied Signal IVA-81C TA/RA VSI Indicators. Provisions for King KHf-950 High Frequency Communications Radio. RVSM Compliant. Sandel ST-3400 TAWS/ EGPWS display.

Interior

Six Passenger Configuration. Two place divan, three ERDA chairs, and side facing toilet seat all covered in Taupe Leather. Birds Eye Maple Veneer cabinetry. MSA window shades with one piece window panels. New mid-continent switch panels. Hardware plated in Satin Gold finish. Black Granite counter top. Completed by Bizjet in June 2003.

Exterior

Overall Matterhorn White with Royal Blue metallic and Emerald Green metallic stripes, new 2004.

Additional Information

19,300 Gross Takeoff Weight. DEEC's. Nose Recon. Lights. Davtron Clock. Angle of Attack Indicator. Thrust Reversers. Lear Siegler Generators. Radio Master. Battery Temp. System. B&D Cabin Display. Eldec Fuel Flow System. Dassault Aft Baggage. Zee Freon Air System.
